

## TORTEVAL METHODIST CHURCH

The Torteval Methodist Church building will be used for worship for the final time on Sunday 25 September 2016.

It is hoped that as many people as possible who have links to the church in some way, will be able to attend.

A harvest festival family Service will take place in the morning at 10.30am. This will be followed by refreshments.

An exhibition will be set up in the old school hall featuring photographs, memorabilia and recordings of Services in years gone by. Refreshments will be served there from 4.30pm ahead of the final evening Service which begins at 6.00pm.

Worship began in the current building in 1895 and for 60 years prior to that took place in the adjacent school hall building.

After 25 September the Methodist Church will, for the time being, worship in the Anglican Church building with some joint Services and several Methodist ones.

For further details of these Services please see the Quarterly Circuit Preaching Plan published on the home page of the website.
