

TWELVE BASKETS

This Christmas we will be delivering lessons called Christmas in a Box to Year 3 children all over Guernsey. This is a two hour lesson that brings the story of Christmas to life!

Give the gift of Christmas in a Box to your local school this year!

The lesson provides a fantastic opportunity for PACE, along with church volunteers, to explore the Christmas characters and story with a class of children in their local school. Each child takes home their own mini Christmas in a Box to remind them of what they have learnt. Your donation will help us provide this Biblical learning to children all over Guernsey.

PACE

The aim of the Twelve Baskets fundraising campaign is to secure the future of the PACE work in schools by attracting a new generation of supporters prepared to make a small but regular financial donation.
